Massachusetts PTA
Health and Safety Update!

Happy and Healthy Spring to All!

Your MA PTA Health & Safety Team and local PTA Units have been busy and engaged during these winter months. With all the SNOW, it has not always been easy!!! Thanks to all who participated in the January Health and Safety Survey, please see the results below!

Updates for You to Know and Participate in:
January 5-
Planning Meeting for Nutrition/Healthy Eating with Kate Millett, Executive Director, DESE, Jackie Coogan, MA PTA Health & Safety Chair and Stephanie Gray, MA PTA president.
Great Discussion and planning

- Kate wants to collaborate with PTA:
  1. with Nutrition Programs, Fuel Up to 60 across the state
  2. agreeable to share staff and programs to move the agenda forward
  3. share resources, programs and funding (though limited)
  4. is receptive to new ideas we can collaborate on across the state. Look for Health and Safety Day Conference Day coming 2015-16 School Year!
  5. wishes to collaborate and work with PTA and other organizations to build conferences. This is happening at MA PTA Convention April 11th. Be sure to Register. There is still time!
6. will help us find (even within the Department) resources and speakers for the Bullying issue as well as other PTA goals.

We are busy at work with this right now! Discussion has continued through February and March with New England Dairy and Food Council and DESE, Kate Millett regarding this Plymouth model across the state. Six Units are being considered. Contact Jackie Coogan if interested.

January 17- February 14, 2015. Survey to 500 MA PTA local leaders. Only 5% of leaders took the survey. It will be available again at Convention. These are the results of the survey:

- Ten PTA locals have engaged with their schools and communities on Health Initiatives. I intend to Highlight them in H&S April-June Updates. Send me your Healthy PTA Success stories.
- Most participants appreciated the communications on Health and Safety Issues.
- 47% said they wanted H&S issues at the State Convention. Health and Safety Panel & Round Table Discussion 4:45-5:45 at MA PTA Convention.
- Almost all appreciated the Communications on Health and Safety Issues of children and families from MA PTA.
- 40% indicated they would like meetings held by the state during the school day, while an additional 40% asked that they be held on early Saturday afternoons.
