

Thank You for participating at the Mass PTA Health Summit. You were a huge part of its success!  
We would love to hear back from you. Your thoughts and reviews are important to us!

Dear Mass PTA Health Summit Attendees,

As Sponsors, Exhibitors, Presenters and Participants, it was really wonderful to see everyone at the 2017 Mass PTA Health Summit. You all contributed totally and with your hearts! ***You are really making a difference!*** We really could not have been as successful without all of you collectively as well as each and everyone individually. We are pleased that the conference was well-attended; with 144 participants engaging, talking, networking and forging ahead. Feedback about the conference has been very positive. ***Thank You to all!***

We hope that Sponsoring, Exhibiting, Presenting and Participating at the summit met your expectations and you found it enjoyable as well as informative.

By all accounts, both verbally as well as written evaluations, many of you were happy as well as satisfied with the Health Summit. We have created an online evaluation for the whole conference for everyone to participate in. Your thoughts, ideas and your honesty will help the Mass PTA Health, Safety and Wellness Committee continue to plan for our next events and programs. We would appreciate your comments and really would like to hear from all of you!
