

June Announcements

It is hard to believe that another school year is coming to an end. Through good times and bad times, we have found new ways to show our love and support of our members. We have found pockets of joy and overcome challenges with our membership to cross the finish line together.

Our Membership Monday Memo will resume its monthly publication schedule Monday, August 1.
Let the summer begin!

Learning Labs - Events | National PTA

Did you know you could see one of National PTA's Learning Labs to dive deep into the important topics that matter to you! You can engage with experts in the field, offering new and helpful ideas on many issues such as "Identifying and Mitigating Psychological Issues in the Classroom", "PTA Connected" and more. The "Identifying and Mitigating Psychological Issues in the Classroom" Learning Lab provides parents with tools to help identify and prevent behaviors symptomatic of disrupted well-being, etc. The other Learning Labs also have great information and are available for you to see at any time.

STEM excitement can occur at home!

We wish you a happy and healthy summer. ☀

A Message from Membership

All officers must be a yearly dues-paying member of the PTA.

As stated in your bylaws, local unit officer forms must be returned no later than June 30th, unless you have a fall election then October 31st. Even if there have been no changes since last year, please still send us a 2022-2023 Officer's List. Having your contact information is important so we can get all your officers' newsletters, messages, and more. Thanks for keeping us posted.
